PROFESSIONAL SUMMARY

PGDM–Financial Management candidate (FIIB, 2026) with finance research experience in ratio analysis, DuPont decomposition and corporate governance. Built a 105-point Governance Quality Index across 5 years of Coal India Limited (CIL) disclosures and 7 subsidiary annual reports, analyzing 300+ financial data points. Benchmarked mutual fund risk-adjusted performance using Sharpe Ratio and NAV volatility. NISM-Series-VIII certified in Equity Derivatives; advanced in Excel and Power BI.

EDUCATION

PGDM – Financial Management, Fortune Institute of International Business (FIIB), Delhi *2024 – 2026*

Bachelor of Commerce (Hons.), Graphic Era Hill University, Bhimtal *2021 – 2024*

INTERNSHIP & WORK EXPERIENCE

Company Secretary Intern *April – July 2026*

Coal India Limited, Kolkata

- **Linked governance to financial performance:** built a 105-point Governance Quality Index (GQI) scoring board independence, committee effectiveness, CSR and disclosure quality across CIL and 7 subsidiaries (FY2020–21 to FY2024–25); correlation with Net Profit Margin r = 0.73, ROCE r = 0.74, leverage r = −0.73 (Pearson).
- **Isolated margin and leverage drivers of returns:** computed ROE, ROCE, EBITDA margin, NPM and Tobin's Q across 300+ financial data points in Excel and applied 3-stage DuPont decomposition.
- **Surfaced compliance gaps for management action:** mapped 100+ board disclosures against SEBI LODR and Companies Act norms and recommended specific compliance improvements.
- **Enabled ongoing governance monitoring:** designed a dashboard concept for real-time GQI and financial ratio tracking, scoped for a Secretarial department pilot.

Event Coordinator Intern *2 Jan – 17 Jan 2026*

Radio Udaan, Jaipur

- **Streamlined event logistics:** built an Excel database tracking 100+ guests and coordinated outreach to ~40 participants for on-site management.

KEY PROJECTS

Comparative Mutual Fund Analysis (Open vs. Closed-Ended)

- **Compared open- vs. closed-ended fund risk-adjusted performance:** benchmarked 3-year performance of 8 debt/equity funds using Sharpe Ratio, Standard Deviation and NAV volatility across bullish and bearish market phases.

POSITIONS OF RESPONSIBILITY

Team Coordinator — Comparative Mutual Fund Analysis Project

- **Delivered the project on schedule:** led a 5-member research team, allocated tasks and consolidated the financial analysis.

Volunteer — Inclusive Community Initiative

- **Promoted accessibility and community engagement:** supported an initiative for differently-abled individuals.
